BURGE EXPLAINS HIS VIEWS ON LIBRARY

Due to the fact that false rumors have gone forth concerning his request for the people to attend the next meeting of the council and state their views concerning the library, Councilman Burge has requested the Sun to say that it is merely his intention to see that the taxpayer gets the most out of his dollar.

Mr. Burge said, "I would not for a minute be in favor of closing down the library, or for cutting down its efficiency. It is an educational feature and was donated to us and I feel that we should support it for the sake of our townspeople and our visitors. I should like very much, however, to see just where the tax money is being used and to hear from the public any suggestions for making it better at less cost."

The present rate of taxation for the maintainance of the library is 21 cents on the $100; which is nine cents less than the estimated cost of 30 cents on the $100. The Sun has been informed that in the beginning it was said the rate would be 3 mills, or 30 cents on the hundred. Many have confused the difference between the rate on one dollar and the rate on each one hundred dollars.

The city taxes as a whole call for $1.25 on the hundred, which makes the library tax less than one-fifth of the entire amount, and not one-fourth of the amount as has been mis-stated.

IRVING S. COBB IS GUEST OF FISHES

Irving S. Cobb, who with his daughter, has been a guest at the home of Mr. and Mrs. Sidney Fish in Carmel Valley, was calling on the Carmel merchants Monday. Mr. Cobb proved as genial as his famed stories would lead people to believe him to be. O. O. McIn[illegible] who was to have visited the Fish ranch at the same time, was taken ill and was unable to come.

INTEREST SHOWN HERE IN DEMONSTRATION

"I have been very much pleased with the interest shown in electric refrigerators in Carmel," said Miss Bertha Mae Hixson, who demonstrated those machines at the P. G. & E. office this week.

Miss Hixson demonstrated frozen desserts and gave away recipes one of which follows. It would be a good idea to cut this out now and paste it in your cook book:

Basic Ice Cream

2 cups fresh milk
1-4 teaspoon salt
1-2 cup sugar
1-3 cup corn syrup
2 eggs
1 tablespoon cornstarch
1 cup heavy cream
1 1-2 teaspoons vanilla

Method: Make a paste of a little of the milk and cornstarch and then add this to the rest of the milk which has been scalded in top of double boiler and cook until thickened, stirring constantly.

Beat egg yolks, add sugar, corn starch and salt and mix well. Add hot mixture gradually to egg mixture, then return to top of double boiler and cook until thickened.

Freeze in freezing tray in electric refrigerator.

Whip cream, fold into it the beaten egg whites. Beat the frozen custard until light, then carefully fold the two mixtures together.

Return to tray and stir gently twice during freezing process.

TROPHIES OF PISTOL CLUB ARE DISPLAYED IN TOWN AND COUNTRY

An interesting display of trophies won by members of the Carmel Pistol Club is being shown this week in the window of the Town and Country Shop on Dolores.

Cups, medals and other gifts won in many matches, along with the targets of some of the winners, are attracting wide attention.

AMERICAN LEGION PLANS GOOD OLD BARN DANCE

With Mae West as the invited guest of honor, the American Legion Post of Monterey will give a barn dance Saturday evening, June 9, at the Old Monterey Polo Club. Proceeds will go toward sending the Legion Drum Corps to the state convention to be held in Oakland in August.

Included in the committee on arrangements are: S. F. B. Morse, Carl Stanley, Captain Henry Livingstone, Mrs. Olga Fish, Officer Louis Trenner, Winsor Josselyn, W. O. O'Donnell, Jack Jordan, Joe Mora, Fred Godwin and Katherine Cooke.

CHARLES FRANK SHOWS SPLENDID SHIP MODEL

Much interest is being taken in the model of the old ship, Great Harry of the year 1512, now being shown in the window of Frank's Jewelry store.

The model was made in Europe and was brought to the peninsula by a resident of San Francisco.

POLICE COURT BUSY ON TRAFFIC VIOLATIONS

An accident at the corner of Dolores and Twelfth Wednesday resulted in a damaged car for Grace Kingsland Dixon but the drivers escaped injury. In a hearing before Judge Wood, the testimony seemed to show that Mrs. Dixon had, without the right-of-way, cut in front of the other car, driven by the son of L. E. Lewis.

When Mrs. Dixon demanded payment for damages to her car, Judge Wood sent her to Judge Baugh in Monterey.

Mildred Brown of Monterey was arrested May 4 for driving without due caution. The case has not yet come up for hearing.

Gene Richetts, driver for the Carmel Dairy, was arrested when he backed his car from Dolores into Ocean May 5, and was fined $2.50.

Raymond Wasson of Monterey was arrested May 8 for driving without due caution, as he was traveling west on Ocean avenue at a high speed.

Introzzi of Salinas, arrested last week for passing a stop sign, paid a fine this week of $2.50.

Monty Schwayder, a medical student at Stanford, spent the week-end at the home of Mrs. Clara Kenndey.

Lawrence Melrose is out of the hospital and walking on crutches after being laid up with a broken leg. He was standing on the running board of a car when it was started suddenly, throwing him to the ground. The wheens passed over his leg.

CIVIL SERVICE EXAMS

Civil service examinations will be held for supervisor of secondary education, Indian Field service, and associate public health nursing analyst, public health service. See Mylar at the postoffice for particulars, if interested.

Mr. and Mrs. Samuel Bruckner, Miss Lois Lavnee and Mrs. Walker of Fresno were week-end guests of Miss Betty Jean Downing.

MITCHELL ANNOUNCES FOR SHERIFF'S OFFICE

The many friends of Joseph E. Mitchell will be gratified to learn that he has definitely decided to seek the office of sheriff of Monterey county.

Mr. Mitchell now occupies the office of councilman of Salinas, to which office he was elected by the largest vote ever given a condidate by the voters of that city.

Mr. Mitchell is a property owner and taxpayer. He is 41 years of age, is married and has a 15-year-old son now attending the Salinas Union High School.

Prior to coming to Salinas in 1923, Mr. Mitchell served in various official capacities, viz, deputy sheriff of Kern county and chief of police of the city of McKittrick during the time that that city was a thriving oil town. By virtue of such official experience and service, Mr. Mitchell has gained the knowledge of the responsibilities and duties of a peace officer which should enable him to discharge the duties of the office of sheriff efficiently.

If Mr. Mitchell is elected to the office of sheriff, the people of Monterey county will be assured of an efficient and fearless discharge of the duties of that office.

CHURCH GUILD MEETS; PLANS HEIRLOOM TEA

The guild of the Carmel Community Church met Wednesday night to make plans for an heirloom tea to be held June 7 in the church rooms. There will be lovely old things on display and tea will be served to guests. A silver offering will be taken to benefit the guild treasury.

Christopher Morley's book, Kathleen, was reviewed and Rose gifts exchanged.

Refreshments were served by Esther Smith, Mable Hart and Edith Guth.

WATSONVILLE MAN IS WASHED TO HIS DEATH

Rex Folkman, 26, of Watsonvville, was washed from the rocks while fishing near San Remo Sunday and his body has not yet been recovered. A reward of $50 for its recovery has been posted.

Folkman was accompanied by his brother and two other men from Watsonville who warned him just a second too late to look out for the big wave.

Although Folkman was a fine swimmer, he stood no chance to gain a foothold as the waves beat so strongly against the rocks at that point.

He is survived by his widow and one small child.

LARGE CROWD MEETS WITH SUNSET BOARD

A large crowd was in attendance at the regular meeting of the school trustees Tuesday evening, probably due to a rumor that the budget was to be discussed. Chairman Ewig, however, stated that since the board had given the matter no special consideration as yet, the discussion would not be taken up until the first meeting in June.

Minutes from special meetings revealed that the Community theatre had asked the use of the auditorium for plays this summer, and had been informed that since a remodeling program was to be carried on there during the months in question, the trustees could not grant the use of the building.

It was brought out that local bids on school supplies were put in too late since purchases had been ordered by the county purchasing commission March 15.

A communication was read from the Christian Science Church asking the auditorium for a lecture July 8, but the same reply was given church which had been given the players.

All the teachers were reelected to their respective posts next year at their present salaries.

Miss Heninger, manager of the cafeteria, was taken in as a regular with a raise of $15 a month and added duties of two periods each week teaching a class in domestic science, the $15 to be paid for the entire 12 months. Mrs. Walker, her assistant, will be offered her position again. The domestic science class is an innovation for Sunset.

Although the janitors had asked for a raise, the trustees did not feel that the times warranted a raise. Instead, however, of arbitrarily putting both men on half pay from June 15 to August 15, they will allow one of the men, Mr. Harber or Mr. Hamilton, to seek work elsewhere for those weeks and will pay the one who remains the full salary of $95.25. Should neither find work, each will be put on half pay for that period.

The trustees will ask Supt. Force to place Mrs. Sara Rinehart again in Sunset as emergency instructor. Mrs. Rinehart will probably be asked to help in some of the more crowded rooms as well as to promote physical education of the students.

A motion was made to go on record commending the principal, the staff and the pupils for the splendid program put on during public schools week.

Principal Bardarson reported that the average attendance at Sunset is 298, not including the kindergarten nor night school. When Mr. Bardarson came here six years ago, the average daily attendance was 198.

The question of telephone bills again was brought up for discussion and when it was found that less than twenty cents was unaccounted for, the subject was dropped at the suggestion of J. A. Burge. Rumors had been spread that the toll bills ran from $3 to $5 per month, all unaccounted for.

In general discussion one visitor objected to the curriculum of Sunset, but was forced to acknowledge that he did not there nor had he visited the school during public school week to see what the pupils had done.

One visitor suggested the roof be taken off the auidtorium and the room used for classrooms, while another sug-

elsewhere. Many other helpful suggestions were made.
gested the building be torn down and the material used

Chairman Ewig stated that he would get estimates on the finishing of the two classrooms, left incomplete from lack of funds and might call for enough additional in the bond election to complete them.

A bond issue will be asked in the near future for money to make the buildings conform to the new earthquake resistance laws.

NEW ROOMS COMPLETE; ROAD BEING WIDENED

With the completion of eight new rooms at Robles del Rio inn and the widening of the oiled road which leads to that delightful resort, the place hums with activity.

The new rooms are built in a row with windows overlooking the valley. They are nicely furnished and equipped with Beautyrest mattresses, as well as having steam heat, an abundance of hot water and private baths.

The fame of the chef at the inn has also gone abroad and a large crowd went up last Sunday in time for dinner.

The new manager, Mr. Mawson, has set his prices at such a reasonable figure that no one can feel he has been "held up."

MANY GUESTS CALL AT THE SILVA STUDIO

With more than three hundred gutsts calling during the afternoon, the studio of William Silva, the artist, was officially opened for the summer Sunday from three to five.

Mr. Silva had many beautiful new paintings on display which were greatly admired.

The curator, Mrs. Ruth H. M. Lewis, was in charge and was assisted by Mrs. Laura Dierresen and Mrs. Mildred Sahlstrom Wright who served the punch.

Among those from out of town who registered were:

Loma Beard, San Francisco; Etta F. Porter, Oregon; Martha Casebolt, Oakland; Mr. and Mrs. Luis P. Nash of Massachusetts; Corisande Evelyn Jarman, Berkeley, along with many from Carmel, Carmel Valley, Pebble Beach and the Highlands.

MICHEL PENHA IN CELLO RECITAL SATURDAY EVE

To those who love to hear great artists, Saturday night's concert in the Denny-Watrous Gallery by Michel Penha, cellist, with Ralph Linsley at the piano, will be one of the musical treats of the year.

Carmel hears Mr. Penha all too rarely as a solo artist. His concert for the Carmel Music Society is still talked about. Ralph Linsley at the piano is always an attraction, there being many who sit as near the front as possible in order to miss nothing of his playing.

Mr. Penha's program is unusually beautifully. It is as follows:

Frescobaldi .... Toccata
(1583-1644)
Bach .... Adagio
(1685-1730).
Senallie ....Allegro Spiritoso
(1687-1730).
Haydn ....Theme, Variations
(1732-1809).
Saint Saens ....Sonato for
Cello and Piano, Op. 32
Intermission
Schumann .... Adagio and
Allegro, Op. 70.
Faure .... Elegie
Sgambati ...... Neopolitan Serenade
Boellman .... Vibrations
Symphoniques, Op. 23

With such a program and such favorites, the gallery is certain to be filled to overflowing.

Carmel people realize what an asset they have in Michel Penha, whom they have adopted and now call their own. Due to his untiring efforts, we have the Monterey Peninsula orchestra, and his Chidren's concerts have come to be a part of the community life.

In being thankful to Mr. Penha, however, the community must not forget that it is due to the Carmel Music Society that Mr. Penha is here.

Therefore, if you can go Saturday, you will be paying a compliment to the performers and giving yourself a delightful evening.

Golf in the afternoon, dinner and bridge afterward at the inn is the plan of a party who will spend the week-end at Robles del Rio. With the completion that each week-end will see some such party at that famous of the guest rooms, it is likely resort.

A MODERN ELECTRIC KITCHEN COSTS SO LITTLE NOW

THERE is no reason now to believe that electric ranges and water heaters are expensive. Not with today's sensibly low prices and the new low electric rate that is in effect.

For example, an electric range as pictured here and the electric water heater can be bought today on easy terms for no more than you might expect to pay for a range alone. Come and see these ranges and water heaters for yourself. Examine the many models on display and then look at the price tags. You are sure to find the electric range you have always needed at just the price to meet your budget requirements.

Come in today and make your choice of electric range models. Easy purchase terms apply on both electric range and water heater.

1¢ —*per kilowatt hour! A new low block rate in the electric rate for cooking and water heating consumers*

CARMEL COMMUNITY CHURCH

Melvin C. Dorsett, Minister
9:45 Church School

11:00 Service of Worship, Theme "Motherhood," Special music will be provided by Miles Bain and by the quartet, Gertrude Bardarson, Anna Marie Baer, Miles Bain, and Everett Smith. Mr. Dorsett will speak on "Mothers of Today."

Special features are being worked out for this service. This service will be one of the loveliest of the year. This day is set apart for the remembering of the maternal spirit as it functions in society through the home and through the lives of those giving generously for the social good, who have never been privileged to have children of their own.

6:30 - 8:00 JO Y Club.

6:30 - 8:00 J O Y Juniors will meet to plan a club of their own.

Thursday 8:00 - 9:00 "Hammer and Tongs Class."

Ranald Cockburn is out of the hospital where he underwent an operation, but will have to return again in a week for further treatment.

FROM BERNARD ROWNTREE

Mr. J. A. Bunch, The Carmel Sun, Carmel, Calif.

Dear Mr. Bunch

There are two questions regarding which the Councilmen are seeking the answers.

At an expenditure not to exceed $300 we can, if we do not delay too long, get Federal aid for a recreational program for our children during the time the schools are closed this summer. We run the risk of not getting the help if we delay too long.

The other question does not have to be decided as promptly. Are the majority of the taxpayers willing to continue paying as much as they now are, for the service they are getting from our library; or do they wish to reduce the tax rate and thereby reduce or decrease the efficiency or facilities of our Library?

Perhaps we are apt to underestimate the value of both these types of service because the advantages are not so apparent to the eye and cannot be weighed or measured. The benefits may not be immediate but cumulative over a long period of years.

Sincerely yours
BERNARD ROWNTREE.

YOUNGSTER JUMPS BREAKS HIS LEG

Jumping from the porch to the lawn last Friday caused little Kenneth Reed, three and a half year old son of Mr. and Mrs. H. E. Reed of Pacific Grove, to receive a fracture of his right thigh. The break was of such a nature that the little one will have to lie in bed for the coming six weeks with stretching apparatus attached to draw the bone back into place.

The break is very similar to that received by the two-year and eight months-old baby of Principal and Mrs. O. W. Bardarson, who ran in front of a car in Santa Barbara two weeks ago and is confined in a Monterey hospital.

H. E. Reed, the lad's father, has charge of subscriptions for the Monterey Herald in this district.

For The Farmer's Daugh'

This new model tractor with Firestone low-pressure tractor tires made a big hit with the Virginia O'Brien dancers when this tractor made a trip through the downtown streets of Milwaukee, Wisconsin, recently. Manufacturers, farmers and farmers' sons are enthusiastic about tractor tires—now it looks as if even the farmers' daughters will get a thrill out of driving the rubber tired "iron horses."

HOSPITAL COMMITTEE IS MUCH ENCOURAGED

The Peninsula Community Hospital campaign organization feel very much elated over their progress in the financial campaign inaugurated a few weeks ago. To date subscriptions in the sum of $12,6550.00 have been reported and the work or solicitation will continue during May.

At a meeting of the Campaign Executive Committee held at headquarters, Monterey Trust and Savings Bank, Carmel on Monday afternoon, Chairman Joseph Schoeninger appointed a committee of three laymen to confer with the building committee of the Medical board the combined group to continue the study of an improvement program looking toward the transformation of the clinic building into a Community hospital. Already patients are being received at the hospital and the time limit set by the present Clinic Board has been extended to July first. This action was taken in order to allow time for the completion of the financial fund effort.

CARMEL THEATRE WILL SHOW GOOD PICTURES

Several good pictures are on the program for the coming week at the Carmel theatre as follows:

Friday and Saturday, "Eskimo," with entire native cast; Sunday and Monday, John Boles and Thelma Todd in "Bottoms Up;" Tuesday, Spencer Tracy in "The Show Off;" Wednesday and Thursday, Frank Buck in "Wild Cargo."

Ellis Levy of Carmel was in Sacramento this week on a business trip.

CARMEL WOMAN'S CLUB

At the annual meeting of the Carmel Woman's Club, the following officers were elected for next year:

President: Mrs. H. S. Nye; first vice president, Mrs. Russell Goodnow; second vice president Miss Agnes Ford; third vice president, Miss Elizabeth Armstrong; corresponding secretary, Mrs. Ruth H. M. Lewis; recording secretary, Mrs. G. C. Richetson, treasurer, Mrs. Everett Smith; directors at large, Mrs. J. B. McCarthy, Mrs. C. J. Ryland.

After reports from the officers and section chairmen had been hard, Mrs. Calvert Meade, in a gracious manner expressed the appreciation of the board for the efficient and tactful service of the retiring president, Mrs. Karl Rendtorff, during the last two years and presented her from the board, with a pot of tuberous begonias and a wrought iron bracket to hold it.

At the social hour, Mrs. Elizabeth Elliott and Mrs. E. R. Tutt presided at the tea table.

A LOVELY GIFT

COMMUNITY HOSPITAL INVITES INSPECTION

Joining with thousands of other hospitals both in this nation and abroad, the Grace Deere Velie hospitau invites the public to visit that institution on National Hospital day, May 12.

The idea of hospital day is for the public to get to know their hospitals better and to realise what is being done for the sick and injured. The date was set for May 12 in honor of Florence Nightingale, that being the anniversary of her birth.

Firestone LEADERSHIP

"The Ultimate Test of Leadership is Performance"

FIRESTONE has maintained its leadership in tire development by producing a new tire for 1934 with a wider tread, flatter contour, deeper non-skid, greater thickness, and more and tougher rubber, which gives greater non-skid safety, more traction, greater blowout protection, and more than 50% longer non-skid mileage.

These achievements are made practical by the Firestone patented process of Gum-Dipping, providing greater adhesion between the plies of the high stretch cords and between the Gum-Dipped body of the tire and the tough, massive non-skid tread. It also provides greater strength, longer flexing life, and greater protection against blowouts.

DEEPER NON-SKID
GREATER THICKNESS
FLATTER and WIDER TREAD
MORE and TOUGHER RUBBER
MORE TRACTION
MORE NON-SKID
THE New FIRESTONE HIGH SPEED TIRE for 1934

Gum-Dipping made it possible for Firestone to design, develop and put on the market the first successful balloon tire in 1923. This tire was the pattern used by all others and completely revolutionized the tire industry and set new standards for the automobile industry.

Firestone also developed the first all-rubber non-skid tire, and has always been first to give motorists the benefits of new discoveries in non-skid design, providing more traction and greater non-skid safety.

For fourteen years leading race drivers have driven to victory on Firestone tires, built with Gum-Dipped high stretch cords. They have trusted their lives to Firestone Leadership — as they know that the patented Firestone construction features provide them with greater safety—longer mileage—and greater blowout protection.

Firestone

High School Notes

By Bob Scripture

On Saturday, May 12, two of Monterey's track team members will go to Berkeley to take part in the C. I. F. track and field week which will be held there. They are the two Miyamoto brothers, "Ky" and "Archie". Ky will enter the high jump and broad jump, while "Archy" will compete in the football throw. Last week at the track meet held in Hollister, Ky tied the C.C.A.I. high jump record of six feet.

At a meeting of the high school board last Saturday, the resignations of Mrs. E. King Hilgers and Mrs. F. E. Peiffer from the faculty were accepted. The board gave a vote of thanks to them for their fine and helpful services during the time they had taught at the school. Mrs. Hilgers is an instructor in sewing, while Mrs. Peiffer teaches music and music appreciation.

During the same board meeting, a tentative schedule for next year's school program was drawn up. School will begin on September 1, and will be dismissed on June 14, 1935.

Other vacations include one week for Thanksgiving, two weeks at Christmas, Washington's birthday, and one week's spring vacation. The one week for Thanksgiving recess includes three days of Teacher's Institute.

May 29 is the date set for the Junior Prom, which will be given at Hotel Del Monte.

"Minick," the choice of the seniors for their play, will be presented on Friday night, May 25. The cast is entirely made up of Seniors.

Eight Carmel students were guests of the Rotary Club last Thursday at a luncheon at Hotel Del Monte given in honor of Youth's Day, at which Judge Jorgenson of Salinas spoke. Those attending were Sue Brownell, Jean Leidig, Jean Stewart, Virginia Wheeler, Ellen Skadan, Joe Schoeninger, Bob Horton and Bob Scripture.

The San Jose State verse choir presented an enjoyable program at a meeting held Tuesday.

Carmel Valley

The annual May Day barbecue of the Carmelo Social and Athletic club was held in Buckeye Canyon on Saturday, May 5. It was an ideal day for the affair and an estimated crowd of 350 attended. The tables were set beneath the trees while some spread their lunches on the ground. Luis Wolter the jovial cook and his able assistants had the meat cooked to perfection. In the afternoon teams were chosen and an exciting baseball game was played. Enos and Alexander of the Bank of America acted as captains of the teams and Roy Martin walked off with honors as the best referee ever. Beef for the barbecue was donated by Roy Meadows and fruit was donated by Mrs. Ed. Hatton. Bread, coffee and beans were furnished by the Club. The picinic was followed by a dance at the Community hall which was enjoyed by a large crowd. Thn annual picnic and dance has become quite an event and is looked forward to from year to year by many valley and peninsula people.

Mr. and Mrs. J. C. Anthony, Jr., and daughters Shirley and Patricia of San Jose were week-end guests of Mr. Anthony's parents Mr. and Mrs. J. C. Anthony.

Mr. and Mrs. A. G. Northup of Happy Valley, former Carmel Valley residents, spent the week-end camping in the valley. While here Mr. Northup tried his luck at fishing. They were accompanied by their granddaughters Charlotte and Ruth Seidel.

Miss Barbara Bostrom of Monterey was the guest of Mr. and Mrs. Lutes last week-end.

Miss Eunice Scarlett entertained as a house guest over the week-end Miss Blanche Neilson of Carmel.

The James Martin Ranch was the setting for the picnic held Sunday for the 30 carriers and newsboys of the Monterey Herald. H. E. Mumford, circulation manager acted as escort, judge, umpire and chief for the occasion. A fishing contest was one of the features of the day with Bruce Kendall, a Carmel carrier winning by catching a 12-inch trout. At noon hot dogs were the center of interest with many being consumed by each lad after which ice cream and cake were served.

Roy Meadows Jr., of Stanford University spent the week-end with his parents Mr. and Mrs. Roy Meadows.

Mr. and Mrs. Ora Vasquez had as their guest for the week-end their neice Miss Adeline Tomasini of Salinas. Miss Tomasini formerly lived in the valley and has many friends here.

Mr. and Mrs. Reginald Johnson and Miss McCreary of Pasadena spent the week-end at the Johnson home in the valley. They came here to take in the Hunter Trials in which Mr. Johnson's horse, Palallani, was entered.

CHRISTIAN SCIENCE CHURCHES

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., a Lesson-Sermon will be read Sunday, May 13, on the subject "Adam and Fallen Man."

The Golden Text will be: "As in Adam all die, even so in Christ shall all be made alive" (I Cor. 15:22). Bible selections will include the following passage from Psalms 39: 6, 7, "Surely every man walketh in a vain shew: surely they are disquieted in vain: he heapeth up riches, and knoweth not who shall gather them. And now Lord, what wait I for? my hope is in thee."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included which reads as follows: "Which institutes Life, matter or Mind? Does Life begin with Mind or with matter? Is Life sustained by matter or by spirit? Certainly not by both, since flesh wars against Spirit and the corporeal senses can take no cognizance of Spirit. The mythologic theory of material life at no point resembles the scientifically Christian record of man as created by Mind in the image and likeness of God and having dominion over all the earth" (p. 531.)

P. G & E. SURVEY SHOWS EUROPE LACKS SERVICE

Hosts of Americans of limited means whom a depreciated currency is driving out of cozy corners in the south of France, Italy and other parts of Europe heretofore desirable from the standpoint of economical living amid delightful surroundings, report that the European, as a general thing, does not know how to make himself comfortable.

Pleasant villas are to be had for a song and help is cheap, as are, also the commodities of life. But household equipment is not according to American taste and custom. Central heating is a rarity and the most desirable residences are lacking the many labor-saving devices that make for comfort as well as convenience in modern housekeeping.

Travelled Americans contrast domestic conditions over there with those that prevail in the land of their birth. Here, in the most unpretentious household, the housewife has at her command conveniences that take all the drudgery out of housework and so make it a pleasure, not a pain.

All that is needed, as a starter, is that the house be supplied with gas as well as electric service. Electricity as a lighting agent has no rival, while gas is an ideal fuel for whatever kind of heating installation the establishment calls for, whether central, floor or portable furnace. The merits of the gas-fueled kitchen range are already widely known and appreciated. Then, to complete the labor-saving equipment of the home comes the automatic water-heatear, also gas-fueled.

It would be difficult to say too much in praise of the last-named contrivance. It is automatically operated and i sdanger-proof, for it is equipped with thermostatic control that regulates the heat supply, so that all times the water is of usable temperature.

Perry Newberry, editor of the Pine Cone, is taking a two weeks' vacation in the country before the beginning of the summer business.

Local and Personal

Fred Hilbert, formerly with the Carmel Drug company, is now employed at Staniford's.

Attorney Ross of Carmel was transacting business before superior court in Merced Monday.

Mrs. Velma Hill was operated on for appendicitis at the Carmel hospital Friday and is doing nicely.

Tom Thienes has been appointed by the executive board of the Serra Pageant to take charge of the programs. Mr. Thienes plans an elaborate three-color booklet.

Edward Kuster is in San Francisco this week-end producing in the Alcazar Theatre, "The Mother of Gregory," the distinguished ballad-play by Maurice Brown of "Journey's End," fame. Mr. Kuster's production celebrates the tenth successive year of the Golden Bough Players, who opened their career with the same play at the Theatre of the Golden Bough in June, 1924.

Mr. and Mrs. John N.Blair of Palo Alto have taken Palermo for two months.

The Misses Hulett of San Francisco are in the Garrett house on the Point for a two months' stay.

The Monterey Peninsula Realty board will hold their regular monthly meeting Tuesday, May 15 at Cadematori's in Monterey.

Miss Marion Minges left last Thursday for Hollister to spend two weeks with her sister, Mrs. Audrey Hull. While there she will attend a club dance and several other parties and dinners.

The Der Ling informs the Sun that they are delighted with their sale which began last Thursday. Besides selling off a great deal of their surplus stock, they have made many new friends. Their sale continues until May 19.

The Rainbow Girls are planning a home cooked food sale to be held in Pacific Grove and Monterey Saturday.. The girls are raising money to help send their grand assembly team to the convention to be held in Spokane.

A beautiful nine and one-half pound baby girl was born last Friday to Mr. and Mrs. Elmer Douglas of Dolores street. Mrs. Douglas and the baby will return home from the hospital Sunday. The young lady's name is Donna May.

Little Linne Bardarson is improving rapidly at the hospital where he is being treated for a spiral fracture of his leg, received when he darted in front of a car in Santa Barbara two weeks ago. For the first time since he was placed in the hospital, he spent the night alone Monday of this week.

To SAN FRANCISCO

Oone Way	Round Trip
$2.47	$4.44

RAIL FARES 2¢ A MILE AND LESS
PULLMAN RATES CUT 1/3
DINING CAR MEALS 80¢ UP

DESTINATION	One Way	Round-trip
San Jose	$1.54	$2.76
Los. Ang	$7.67	$13.54

These are examples of the new one way and roundtrip train fares to *all* S. P. stations. Good in coaches and chair cars on fast trains—also in Tourist Pullmans (plus berth). Fares good in Standard Pullmans are slightly higher.

PUBLICITY MEN MEET TO DISCUSS FESTIVAL

About twenty-five people, including representatives of the Examiner, the Chronicle and the Oakland Tribune, along with Fred Williams, publicity man for the Fresno diocese, and a group of local members of the executive committee of the Serra Festival met at the La Playa for dinner last Saturday evening and discussed plans for publicity on the coming event.

The grounds at the mission are daily undergoing improvement under the new landscaping plans and by August will be a worthy sight.

PLAN PLAY READING FOR MONDAY NIGHT

The news that another play reading is planned for next Monday night will be received with pleasure by those who attended the previous readings. These pleasant and interesting evenings had been discontinued for some time, for lack of material and readers who would take parts. However, St. John Irvine's "Antony and Anna" will be heard next Monday evening at 8 o'clock at Pine Inn.

Those who will take part are: Anna Marie Baer, George McMenamin, Arthur Storey, Henry Hasty, Tom Thienes, Hal Garrott, Eugene Watson, Nan McCormick and Eloise Carwyle.

SUN FOLK ENJOYED OLD-TIME VIEWS

The Sun editors had the pleasure of spending an evening with Mr. and Mrs. L. S. Slevin and seeing some of Mr. Slevin's remarkable views of old-time locomotives and street cars.

With the gradual transformation one does not realize the change taking place, but to see these hundreds of pictures is a revelation.

Mr. Slevin has pictures dating back to the earliest days of the "iron monster," and has pictures of street cars in San Francisco from the old horse-car days.

These are only a small part of Mr. Slevin's valable collection which it would take hours to see.

Ray Moore and Louis Levinson have gone to Inyo county for a two weeks' fishing trip. They will camp at an altitude of 9,000 feet in the High Sierra.

Ranald Cockburn is out of the hospital where he underwent an operation, but will have to return again in a week for further treatment.

FOR RENT OR LEASE: House in Carmel Valley, furnished, reasonable. Box 675, Carmel. 15tf

CARMEL WOMAN'S CLUB

At the annual meeting of the Carmel Woman's Club, the following officers were elected for next year:

President: Mrs. H. S. Nye; first vice president, Mrs. Russell Goodnow; second vice president Miss Agnes Ford; third vice president, Miss Elizabeth Armstrong; corresponding secretary, Mrs. Ruth H. M. Lewis; recording secretary, Mrs. G. C. Richetson, treasurer, Mrs. Everett Smith; directors at large, Mrs. J. B. McCarthy, Mrs. C. J. Ryland.

After reports from the officers and section chairmen had been hard, Mrs. Calvert Meade, in a gracious manner expressed the appreciation of the board for the efficient and tactful service of the retiring president, Mrs. Karl Rendtorff, during the last two years and presented her from the board, with a pot of tuberous begonias and a wrought iron bracket to hold it.

At the social hour, Mrs. Elizabeth Elliott and Mrs. E. R. Tutt presided at the tea table.

CARMEL COMMUNITY CHURCH

Melvin C. Dorsett, Minister
9:45 Church School.

11:00 Service of Worship, Theme "Motherhood," Special music will be provided by Miles Bain and by the quartet, Gertrude Bardarson, Anna Marie Baer, Miles Bain, and Everett Smith. Mr. Dorsett will speak on "Mothers of Today."

Special features are being worked out for this service. This service will be one of the loveliest of the year. This day is set apart for the remembering of the maternal spirit as it functions in society through the home and through the lives of those giving generously for the social good, who have never been privileged to have children of their own.

6:30 - 8:00 JO Y Club.

6:30 - 8:00 J O Y Juniors will meet to plan a club of their own.

Thursday 8:00 - 9:00 "Hammer and Tongs Class."

COMMUNITY HOSPITAL INVITES INSPECTION

Joining with thousands of other hospitals both in this nation and abroad, the Grace Deere Velie hospitau invites the public to visit that institution on National Hospital day, 12.

The idea of hospital day is for the public to get to know their hospitals better and to realize what is being done for the sick and injured. The date was set for May 12 in honor of Florence Nightingale, that being the anniversary of her birth.
